

# Waccamaw River Heritage Preserve

## River Trail Guide

The Waccamaw River Heritage Preserve was made possible through the cooperative efforts of the SC Department of Natural Resources, International Paper Company, Boise Cascade Corporation, the SC Nature Conservancy, Mr. Franklin Burroughs, and Ms. Emily Schultz. Mr. Burroughs and Ms. Schultz donated property for the preserve.

Preserve properties are open year-round for public use, and boat and backpack camping is allowed along the riverbanks on preserve land. Paddlers will usually travel at 2 mph at low water and 4 mph at high water. Fires are allowed for campers, but only fallen, dead wood may be burned. No standing trees, alive or dead, may be cut. White Heritage Preserve signs mark the preserve boundaries. Please pick up litter and help us keep the preserve clean. If you would like to become a member of the stewardship committee, please contact Jamie Dozier at (843)546-3226. Please report any violations to 1(800)922-5431.
